# TRIBESMAN

*This Tribesman belongs to you just as Mississippi College does. It is your written account of a year spent on this campus . . . a year of study and fun, of good days and bad, but through it all, a year of progress. The 1965 TRIBESMAN encompasses many areas of your college life; in it we hope you will find your fondest memories recorded.*

MISSISSIPPI COLLEGE  
CLINTON, MISSISSIPPI

DER  
ING

*W.O. Hart 1/6*

REMINISCENCE...

*On the hills of a small town a little west of the state's capital city, Hampstead Academy was founded by Mississippi Baptists in 1826, as the state's first institution of higher learning. The college was later named Mississippi Academy and then in 1830 assumed its present title, Mississippi College. With this title came the authority "to confer . . . such degrees in the arts, sciences, and languages as are usually conferred in the most respectable colleges in the United States . . ."*

*The Civil War brought destruction and disorganization to the Mississippi College plant and its students. The quest for knowledge pressed on however, and in 1873 a position of stability was again reached. Dr. J. W. Provine's administration, 1911-1933, proved to be an important era, for it was during this time that the college was given accreditation by the Southern Association of Colleges. In 1943 Dr. D. M. Nelson brought coeducation with the purchase of Hillman College. The end of World War II brought an influx of students and an expansion of the college plant. Nelson Hall, Hederman, Gunter, and Mary Nelson dormitories came into being while the existing buildings were renovated, enlarged and improved.*

*Dr. R. A. McLemore, incumbent president, came to MC in 1957 and continued the improvement of its academic prestige and physical structures. The history of this, Mississippi's oldest college and one of the oldest and largest Baptist colleges in the nation, is long and impressive; and our college today stands as an ever-progressive institution based on a tradition of strength and pride.*

## RESUME . . .

**col-lege** (kol'ij) **n.** (**L.** *collegium*, community, society, guild, fraternity *collega*; see **COLLEAGUE**. 1. an association of individuals having certain powers, rights and duties, and engaged in some common pursuit: as, the electoral college. 2 (orig. with reference to the university communities of Oxford and Cambridge), an institution of higher education that grants degrees at the completion of courses of study; university. 3. any of the schools of a university offering instruction and granting degrees in any of several specialized courses of study, as liberal arts, architecture, education, business administration, etc. 4. that division of a university which offers a general four-year course leading to the bachelor's degree; distinguished from the graduate and professional schools. 5. a school offering specialized instruction in some profession or occupation: as, business *col-lege*, *college* of chiropody. 6. the building or group of buildings of a college. Abbreviated *col.*, *coll.*

*Today we hail our dear Mississippi and look to its history with pride. If its history is proud, then its present must be the source of*

*pride for future generations. MC joins the rank and file of institutions that define this broad, elusive word we call "college." But it is not merely average in its definition of the word because its motto of truth and virtue compel it to rise above the rank and file and*

*give an added dimension to education. This dimension is a way of life at Mississippi College for it introduces the student to life through a Christian education.*

## REWARD . . .

*MC is distinctive because it is our college, chosen by us as our all-important point of departure into life. While we are here, it is our home, our study field, our social life. We learn to work, to study and . . . to live. Its activities and traditions become a part of our souls and we are absorbed into its spirit of friendliness and warmth. We choose education to be a major part of our lives, with full knowledge that it holds the key to a fuller, more rewarding life. We are all students of Socrates and are seeking to know ourselves, for we realize that self-realization can place us in the right perspective in our world. From this, our chosen proving ground, we will emerge to face our world and our appointed places in its society. The standards and practices set during these years of molding will inevitably become a directioning force in our lives.*

*Through these years of wonder and awe, of doubt and faith, of learning to live and love, we choose Mississippi College as our teacher and guide. We are products of its greatness and depart from its doors to serve all mankind. Herein is the source of pride in our school and the reason for its proud history, for the contributions of its graduates to our world tell the story of Mississippi College with living meaning.*

*Arriving on the reservation with shorn head and knocking knees, the new Choctaw proceeds through a four-year period of evolution that graduates him an accomplished, dedicated citizen, ready to fulfil his purpose in life.*

## THE MC STUDENT WHO IS HE?

*This is the Mississippi College student, and the changes that take place in him during this time comprise his story of maturity. As a freshman, a new world opens and a new confusion overwhelms him. College is different and*

*he wants what it has to offer. His sophomore year creates doubts formed by the introduction of a deeper knowledge and the realization of an enlarging world of new ideas. As a junior, a routine of preparation is established and study in pursuit of a goal is his dominant theme. The cognition of this preparatory period appears during the senior year as he readies for still another challenging step—that of assuming his place of character and responsibility in the world.*

What takes place during this evolution tells his story of growth and the emotions he feels "recollected in tranquility" are signs of this maturity. As he yells his heart out for the Choctaw team, he feels their anguish and hopes, and he becomes a part of his team . . . his home team, the guys that are best, win or lose. When he throbs with love for a sweetheart who seems to be the one for him, he learns to give and love doing it, to sell his soul for love. He debates with a colleague over the merits of Ezra Pound against Eliot and learns to form his own opinions and feel that they are knowledgeable ones. The lab experiment proves correct and he feels a sense of accomplishment unlike any he has ever known, or his term paper that is packed with originality and discerning thought merits an A and he feels this same satisfaction. A hopeful walk to the post office, a crowded cafeteria, a stimulating lecture, a coffee break in the Wig . . . this is the world of the MC student, and these are the thoughts that will remain.

## REACHING OUT...

*From here? The Mississippi College student goes to face life in a time of incessant change, but he has found the basis of living. He came unknowing but will leave with a firm grip on life. Mississippi College will change and grow and improve; its vistas will broaden and its excellence will heighten. He has known it in his time and has loved it for what it was to him . . . a vital learning experience, a loving home. He will fondly remember his love's labour here . . . but these are growing pains and only preparation for an adult world which he must face as a mature adult, and which he will.*

## DEDICATION

*To quote Sir Francis Bacon:*

*Men in great place are thrice servants: servants of the sovereign or state; servants of fame; and servants of business. So as they have no freedom; neither in their persons, nor in their actions, nor in their times. So is ambition like choler; which is an humor that maketh men active, earnest, full of alacrity, and stirring, if it be not stopped. But if it be stopped, and cannot have his ways, it becometh adust, and thereby malign and venomous. So ambitious men, if they find the way open for their rising, and still get forward, they are rather busy than dangerous.*

*The person to whom this 1965 TRIBESMAN is dedicated is one who has been a devoted servant and in dual service has fostered ambition into the lives of many who have passed through these doors. Because of her life, devotion, and service, we dedicate this edition to MRS. P. I. LIPSEY, JR.*

## OUT OF TRADITION...

*With Truth and Virtue emblazoned on the cornerstone, Mississippi College holds fast to its noble traditions and its students look to them with pride and honor. Out of tradition, we have imitated a form; we have learned to adapt it to our generation . . . taking the good, omitting the bad . . . thereby increasing learning for our day. The honor and dignity of our school were born in history . . . out of tradition.*

## WE LEARN OF LIFE BY BELONGING...

*The form we imitated became an intrinsic part of our lives only when we gave ourselves to it. No longer meaningless form now . . . but vital matter . . . Mississippi College invited us to be a part of her tradition and we accepted. Confused at times, but always hopeful, we cheered her team . . . initiated her neophytes . . . chose her queens . . . and, over a friendly cup of coffee in the Wig, solved all her problems. Then came the truth: tradition was not enough . . . it was merely a foundation. We were building then and knew the pains of growth . . . but loved the ecstasy that filled us with each new trait of maturity.*

## WE SEEK TO

*Growth . . . progress . . . maturity . . . vague generalizations that add up to great fulfillment in life. Out of tradition, we learned to study and from progress, we learned to love it. As we saw ourselves, we glimpsed amorphous creatures struggling to become. Finally the Shakespearean play held more value than an "A" for the course. Was this maturity? Learning became a deeply satisfying experience . . . we grew in wisdom.*

# KNOW OURSELVES THROUGH STUDY

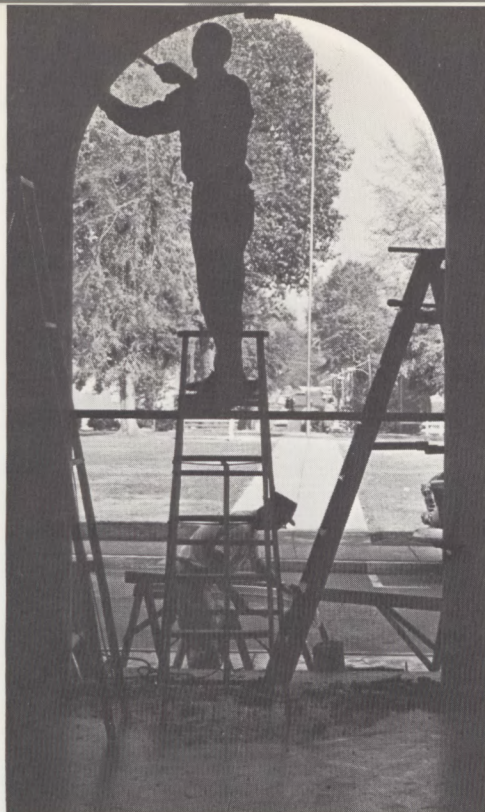

WE LOOK TO THE FUTURE...

*Out of tradition . . . in progress . . . to the future . . . we have seen our college change and progress. By playing the central role in this advance, we have experienced our own growing pains. From confused and vague obscurities, we emerge to grasp a clearer truth . . . a truth made precious because we had to search for it. The truth we have found becomes our life-blood and we begin to act on genuine feeling. Out of tradition, we progress to face with confidence an untold future.*

## OUR PRESIDENT, DR. R. A. McLEMORE

Progress is his most important product . . . and Mississippi College stands notably improved as a result of Dr. R. A. McLemore's tenure. Vitally interested in and dedicated to Mississippi College, Dr. McLemore has devoted his skill and knowledge to extend academic and economic excellence. His marked success is attributed to his own varied talents and accomplishments in the field of education. Added to his great administrative ability, Dr. McLemore endears himself to each Choctaw by taking a very personal interest in every student. It is with the deepest devotion and admiration that we salute our president—a man of great integrity and wisdom.

The field of aesthetics is regarded with high value to the educated mind.

## DIVISION OF HEALTH, PHYSICAL EDUCATION AND RECREATION

Through physical education each individual is encouraged to live at the highest possible level by maintaining good physical health through the development and exercise of the organic systems of the body. ## LEADERSHIP-HONORARY

**SHELTON HAND, JR.**  
President of Student Body Association

The purpose of the Student Body Association is to be of service to each and every student. The goal is to serve in keeping with the tradition of growth as set forth by those who have gone before us.

There are three branches in our Student Government. These are the Executive, Legislative and Judicial, headed by the Student Body President, Vice-President, and Chief Justice respectively. Under the direction of each of these branches of leadership there are many phases of activity. Under the Executive comes the President's Cabinet and Staff; under the Legislative, the Senate and its committees; and under the Judicial, the Council and Men's and Women's Affairs Boards.

It is the responsibility of the Student Government to initiate, coordinate, and direct into execution many activities and services for the students. Some of these are Freshman Initiation, Friday Chapel Programs, Homecoming Activities, Programs of special emphasis and entertainment, Student Laundry and Insurance Services and the weekly film series. Among the guiding organizations for more effective Student Governments are SUSGA, M.I.C. and Tri-College Council, Mississippi College being the Chairman School of Tri-College for 1964-65.

## PRESIDENT'S CABINET

The members of the President's Cabinet are chosen by the President of the Student Body to assist him in his administrative duties. The Cabinet met once a week and for any specially called meetings. Many responsibilities were delegated to the Cabinet for administration. Working as individual Department Heads and as a very closely knit group, the Cabinet did an outstanding job this year.

Along with the regular duties that were designated, the 1964-1965 President's Cabinet rendered valuable assistance in compiling the complete story and record of student government and leadership at Mississippi College. It is hoped that this will prove to be a valuable guide to others.

**PRESIDENT'S CABINET**—Seated: Tom Nabors, Sheri Adamson, Shelton Hand, Charles Lloyd. Standing: Rusty McIntire, Larry Hollis, Delores Martin, Karen Robbins, Bill Henderson, Diane Williams, Jackie Grisham, Jim Caden.

## JUDICIAL COUNCIL

The Judicial Council, composed of a Chief Justice, elected by the Student Body, and six Associate Justices, appointed by the Student Body President, has the responsibility and authority to enforce standards of good citizenship and to hear and act on disciplinary problems as well as interpreting the SBA Constitution. They also, in the capacity of the Senior Judicial Court on the campus, hear appeal cases from the Men's and Women's Affairs Boards.

The Judicial Council was this year, as it should be always, the standard bearers of ideals and standards of the College. They served as a highly respected link and liaison between the SBA and the Administration on all disciplinary matters.

**JUDICIAL COUNCIL**—Seated: Carlyn Moore, Skeet Osborne, Chief Justice; Judy Ballew. Standing: Charles Parkman, Charles Cartee, Altus Newell, Karen West.

## SENATE

The Legislative branch of the Mississippi College Student Body Association is the Student Senate. It is composed of duly elected representatives from the dormitories, from Clinton and from Jackson. It is presided over by the Vice-President of the Student Body.

The Senate is responsible for the approval of Presidential appointments on the Cabinet and Judicial Council. It approves the SBA budget, as presented according to the Constitution. The Senate also passes on amendments to the Constitution, if deemed necessary, and makes recommendations to the College Administration, voicing the needs and wishes of the students whom it represents. The Senate also considers and takes action on recommendations from the Student Executive Department.

# WHO'S WHO

## AMONG STUDENTS IN AMERICAN UNIVERSITIES AND COLLEGES

The idea of creating one national basis of recognition for college students that would be democratic and devoid of dues, initiation fees or other cost to the student was conceived about twenty-nine years ago. After talks with administrative heads, personnel managers, students and undergraduate organizations concerning the need for such an organization, WHO'S WHO AMONG STUDENTS IN AMERICAN UNIVERSITIES AND COLLEGES was created and endorsed by these groups in 1934.

Recognition in WHO'S WHO means that the student was first officially recommended from the university or college he attends, and then accepted by the organization. College juniors, seniors and students enrolled in graduate courses are eligible for nomination. Selection of nominees is conducted by campus committees and usually involves student-faculty administration participation. Nominating committees are requested to consider the student's scholastic record, his leadership and co-operation in educational and extracurricular activities, his general citizenship, and his promise of future

usefulness. Each institution is assigned a separate quota large enough to give a well-rounded representation of the student body, small enough to confine nominations to an exceptional group of students, and based upon current enrollment.

WHO'S WHO AMONG STUDENTS IN AMERICAN UNIVERSITIES AND COLLEGES renders many services to the students. It serves: as a goal to inspire greater effort in those who may not otherwise perform to the best of their ability; as a reminder that time must be used intelligently to bring the best results from one's college experience; as a means of compensation for outstanding effort and achievement; as a standard of measurement for students comparable to other recognized scholastic and service organizations.

Participation in WHO'S WHO increases through the years as its worth and need is more and more appreciated. The college accords a great honor to these students by selecting them to appear in this year's WHO'S WHO AMONG STUDENTS IN AMERICAN UNIVERSITIES AND COLLEGES.

## HALL OF FAME SHELTON HAND

**"Like the rocks of towering grandeur make me strong and sure . . ."**

The very fiber of Shelton's being is expressed in his strength of character and unswerving convictions. From the beginning of his college career, his unbounding energy and moral integrity convinced many students, faculty members, and administrators that he possessed the leadership ability which would win for him many places of responsibility and honor. As president of his Sophomore Class, residence hall manager for three years, and as Student Body President, he has admirably fulfilled the predictions made for him. Shelton's strength and sureness have challenged others and won for him the high respect of his fellow students who chose him for the high honor of "Mr. M. C." The future holds many excellent things for one of Shelton's caliber. We proudly add him to the Mississippi College HALL OF FAME.

## HALL OF FAME CAROLYN VAN DEVENDER

**"... Like the straightness of the pine trees, let me upright be."**

The quality of membership in the Mississippi College HALL OF FAME is enhanced greatly by the adding of the name of Carolyn Van Devender. This young woman is incapable of anything mean. As one views the list of her college honors and notes her accomplishments while a student at Mississippi College, he must agree immediately that she rightly deserves to be listed among the great of her Alma Mater. Whether she is serving as secretary of the Student Body Association, President of her social tribe, student counselor in her residence hall, or editor of the TRIBESMAN, Carolyn is poised, efficient and upright in her every action. Her fellow students chose her to be the one from among all the other senior women who should receive the distinct honor of being "Miss Mississippi College." Truly she does "stand tall" and with the straightness of the pine tree among her peers, and wears with dignity the crown which they have placed on her head.

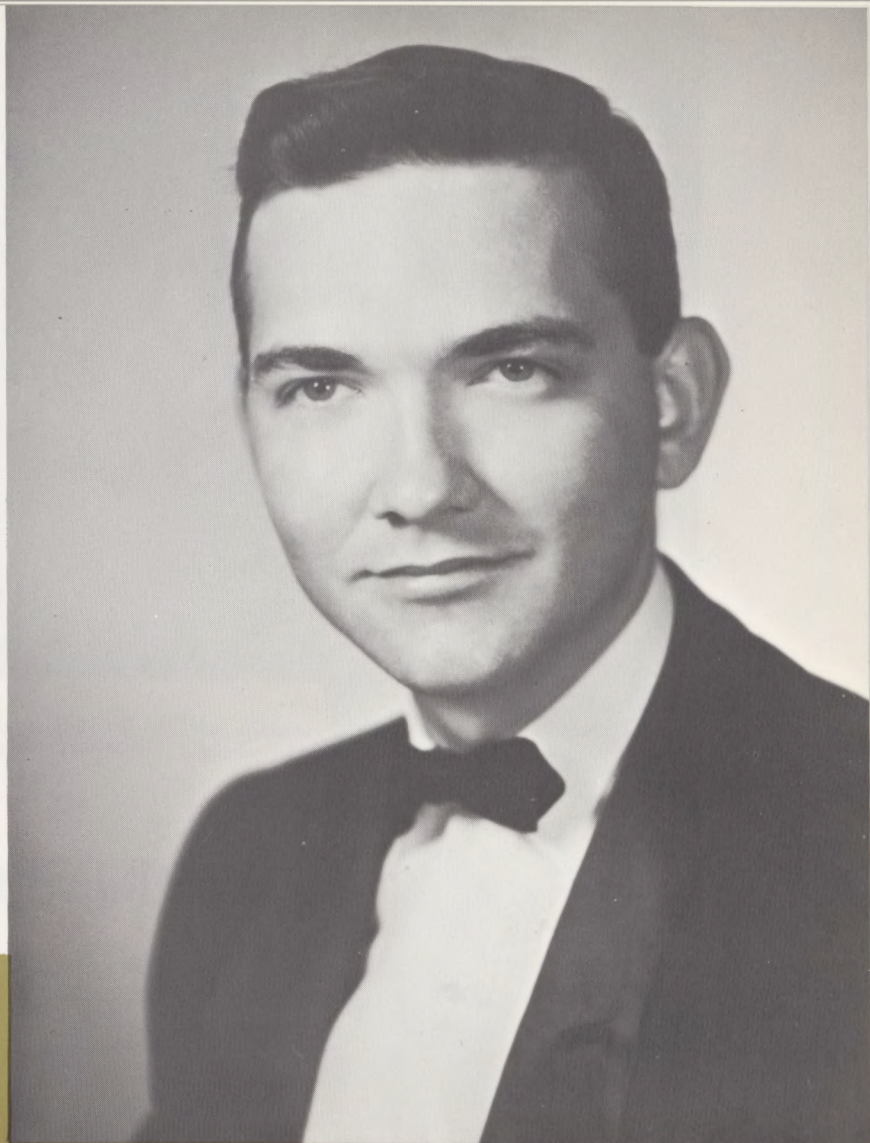

## HALL OF FAME LOUIS STOWERS

**"Like Thy shining waves of sunlight, make me good and free..."**

Ruki never ceases to amaze us with his great talent in the fields of art and music. He is endowed with an enormous "touch of the poet," which sets him apart; yet his willingness to share his talents makes him truly "special" to all who know him. During his years at Mississippi College, the air has been filled with sounds of his music, and the walls of the buildings used proudly to exhibit his paintings. The Mississippi College HALL OF FAME can claim with justifiable pride this young man for whom a great future in the field of art is unanimously predicted. "Buy one of his (Ruki's) paintings now—soon you may not be able to afford one" is the opinion of those who know. Ruki's "good and free" spirit helped qualify him for many honors and an enviable place in the hearts of us all.

## HALL OF FAME LYNDA McDOWELL

**"Like the arching of the heavens, lift my thoughts above; turn my dreams to noble action, ministries of love."**

The proverb writer must have had a young woman like Lynda McDowell in mind when he wrote: "her price is far above rubies; strength and dignity are her clothing; she openeth her mouth with wisdom, and her tongue is the law of kindness; she eateth not the bread of idleness; many daughters have done virtuously, but thou excellest them all; favor is deceitful, and beauty is vain, but a woman that feareth the Lord, she shall be praised." That Lynda is physically, mentally, socially, and spiritually beautiful is the claim made for her by all who know her. Being featured two years in the TRIEBESMAN as a beauty; membership in Alpha Lambda Delta and Cap & Gown; active participation in her social tribe and church program all attest to the validity for the recognition of this young woman. Lynda is most worthy of the high honor of being elected to the Mississippi College HALL OF FAME.

# THE 1965 TRIBESMAN

Reducing the "agony and ecstasy" of human experience during a college year to pictures and words is a difficult job. Such is the aim of the 1965 TRIBESMAN. It has been our task to recapture in picture that particular look or expression that made '65 the great year it was . . . to present people and their activities, honors, successes, and yes, even failures . . . all uniting to create this wonderful mystery of human interaction.

You hold before you a record of progress and personality covering the short span of nine months, but packed with potential to strengthen our world for a lifetime.

This network of human experience and progress involves pictures — rush — parties — dash — sports — hurry — organizations—confusion—deadlines—worry—honor societies—panic—and a thousand complications connected with each. But this is the worth of college and of life . . . it is our hope that we have given you a thorough and meaningful account of this, your college year.

Each week the staff gathers news, comments on the happenings of the day, and creates informative, interesting articles. Busy hours are filled with headline writing, copyreading, and layout planning. Proceeding without faculty supervision, students working on the newspaper learn to assume responsibility and co-operation in the effort of producing weekly papers. ## THE "OLD AND THE NEW"

### COME ALIVE AT HOMECOMING

Tradition and innovation characterized Homecoming, 1964, arousing once again the enthusiastic Choctaw spirit in students and alumni. To the echoing beat of the Tom-Tom, determined students endured the rain to construct displays across the front campus. Pep-rallies, including the morbid Gamecock funeral, lent to the air of excitement. Climaxing the activities, the half-time show presented the queen and her court in the colors of autumn. The music of the band and the Queen's Song continued the theme of "Serenade in Bronze."

"Cool! Rah, Rah!! And who is the man with the cane and hat?"

The four social tribes of Mississippi College staged their annual rush parties in September where freshmen and transfers were given an opportunity to see into the social life on campus. The parties this year topped all past efforts of the clubs in variety and quality of entertainment.

Kissimee entertained with a "Gai Paree" Party complete with bar maids, "pink ladies," and a host of entertainment. Laguna enchanted the guests with a Japanese garden party featuring the many talents of its members as they performed for the guests. Nenamoosha went marine with a Shipwreck party and turned their lovely ladies into pirates to create the full nautical effect. Swannanoa relived the Roaring 20's as they featured "Al Capone and the boys" and turned the cafeteria into a giant night club.

## INTERCOLLEGIATE SPIRIT AND RELATIONS

Most important in all phases of sports—whether participating or supporting—are the spirit and the relation between the opposing teams. To better these aspects of our college program, we encourage a more active and enjoyable participation.

The major activity of the Student Body to advance our Intercollegiate spirit is the bi-annual Torch-run to Howard. Better relations between the two student bodies were created by the warm reception to their campus and our welcome to them for coming years. Initiation and pep rallies prepare the students. Practice prepares the team. Both express themselves. Both help to better our intercollegiate spirit and relations—win or lose.

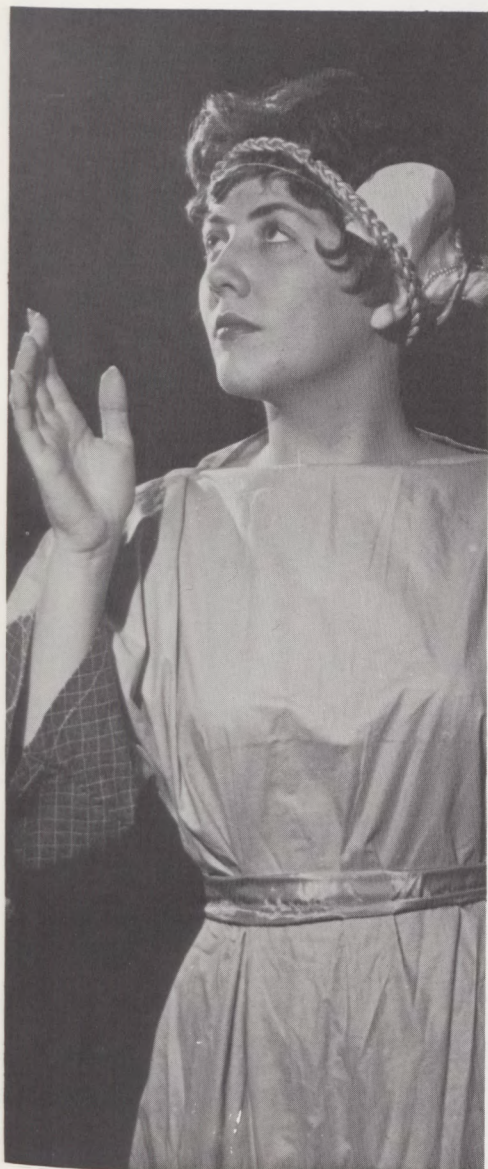

We're almost there!!

This year's production is to be "The Bartered Bride" by Smetatna, and should excel all expectations.

## THE 1964 SEASON

### MISSISSIPPI COLLEGE CHOCTAWS

The Mississippi College Choctaws ran up a respectable record this year despite a toughened schedule. M.C. was the victor in contests with the University of Mexico, Florence State, Arkansas A & M, and Austin College.

Three defeats by only three points came at the hands of Furman, Davidson, and Troy State. An inspired Howard College team swamped the Braves in a Homecoming tilt at Birmingham, Alabama. The only tie was with Jacksonville State College at M.C.'s Homecoming. The same spirit and desire that has kept Mississippi College in the winner's circle was seen in abundance this year. Head Coach Hartwell McPhail and his fine staff were responsible for instilling this drive in the squad.

Coach McPhail's newly installed pro-set offense worked nicely with quarterback Ed Nixon leading the Chocs in the offensive department this year with 707 total yards. Glen Smith followed Nixon with 530 yards. The scoring leaders were Jerry Hale, with seven touch-

downs for 42 points, and the outstanding freshman Doug Mabry. Mabry scored 23 points on four out of seven field goal attempts and 11 out of 14 P.A.T.'s.

Hale also led the team in rushing yardage and in pass receiving. On the ground he sped 505 yards in 99 attempts for an average of 5.10 yards per carry. The Choctaw ace caught 20 passes which he carried for 288 yards. Jimmy Hays, a speedy split end, followed close behind Hale with 14 receptions for 186 yards.

Mississippi College had an average of 261.4 yards per game offensively, while the opposing team averaged 208.3 yards per game. The Choctaws rushed for a total of 1418 yards and passed for 935 yards during the season.

According to Coach McPhail, the team's success is due to the quality of the athletes playing the game. After losing 24 lettermen, the team composed almost entirely of new faces completed the 4-4-1 season.

# MISSISSIPPI COLLEGE CHOCTAW LEADERS

In an impressive setting at the Annual Football Awards Banquet, six Mississippi College players were honored by the school's Alumni Association.

Guard Jerry Lyons was named "Permanent Captain."

The Best Blocker Award went to Parker Dykes.

The recipient of the Best Defensive Player Award was Guard Fred Barron.

The Most Valuable Player Award went to Guard Jerry Hale.

The Best Sportsmanship Award went to Guard Howard Godfrey.

The Most Improved Player Award was received by Center Ernest Grantier.

Team effort is vital to win the game, but the unity of the team is built on its leaders. At Mississippi College a group of boys came together to help form and lead our team—to lead them against teams rated above ours and still come up victor.

These six young men, through their continuous efforts, have earned a place of gratitude in the hearts and minds of Mississippi College students and alumni for years to come.

Seated: Jerry Lyons, Jerry Hale. Standing: Parker Dykes, Howard Godfrey, Ernest Grantier.

## CHOCTAW FRESHMAN FOOTBALL

A successful year and a bright outlook for the future was evident this year at the conclusion of the 1964 football season. As usual a large crew of freshmen boys hit the campus and set out to show their worth for the Mississippi College Chocataws. The freshman team actually doesn't have too much of a chance to show their abilities to the public since they play only a few games. However, Assistant Coach Philip Nettles feels that we can expect good things from this fine team of freshmen.

## DRILL TEAM

Along with the band of Choctaw Warriors giving expression at hard work, study, practice and precision, we are proud of our Choctaw Maidens.

Under the leadership of Sandy Dykes, the Maidens performed in their finest style to make 1964-65 their best year yet. All who compose this "volunteer" group realize that they are a major part of the spirit of the CHOCS.

## MAJORETTES

Some have said that the Choctaws were short of talented, experienced, and eye-catching "twirlers." But, these are words not applied to the majorettes of 1964-65. Misses Bari Lee, Barby Gore, and Bonnie Breedlove have held the attention and admiration of all fans—student and alumni. They have performed well with the band—both in concert and march. These are to be highly commended.

COACH JAMES Q. ALLEN

The basketball season at Mississippi College was met with eager anticipation as the residents of the Reservation looked forward to the ball games for which M.C. is famous. Despite the need for height, the team quickly and favorably impressed the campus with their speed and shooting ability. They posted three wins before meeting a slim defeat at the hands of William Carey College.

The Chocs first met a group of former All Stars in the first annual Howard Sessums Game. Two nights later the Southeastern Louisiana Lions fell to the Chocs 85-83. M.C. went on to post wins over Jacksonville State and Howard College.

Highlights of the season were the Holiday Tournament and the Magnolia Invitational Tournament. The Braves won the Holiday tournament in a close game with Belhaven which ended at 68-66. Harlan Stanley, a junior college transfer, was the game's leading scorer with 19 points. The Magnolia Invitational Tournament was held during the Christmas Holidays at the Mississippi State Coliseum. Allen's roundballers pulled off an upset victory over SEC opponent Mississippi State University. This has been hailed as M.C.'s biggest victory in ten years. The Choctaws put in a near perfect game of control ball, missing only 8 out of 29 field goals. The Southern Mississippi Giants defeated M.C. on the closing night of the Tourney, leaving us the runner-up spot.

**Kneeling:** Fred Shirley, Sonny Brown, Joel Boone, Paul Rushing, Richard Beam, Butch Cox. **Standing:** J. W. Barnes, Dale Nease, Sid Odom, Harlan Stanley, Wayne Barber, Sammy Pace, Jimmy Bourne, Tommy Lynch, Larry Hill.

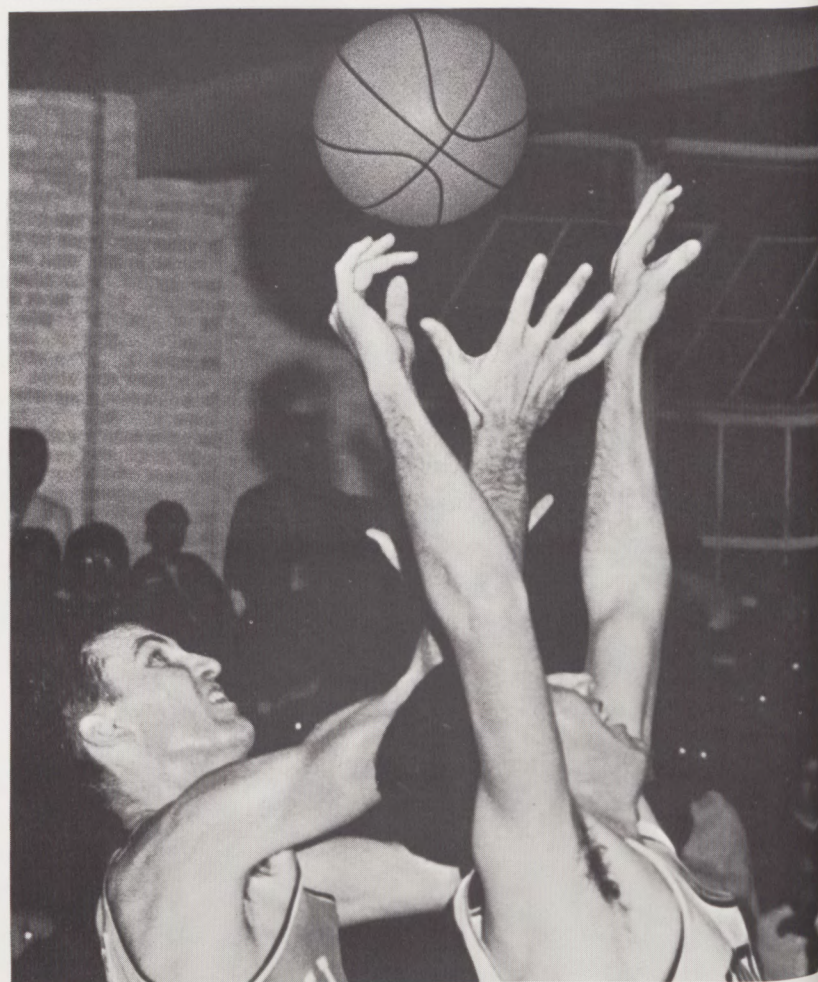

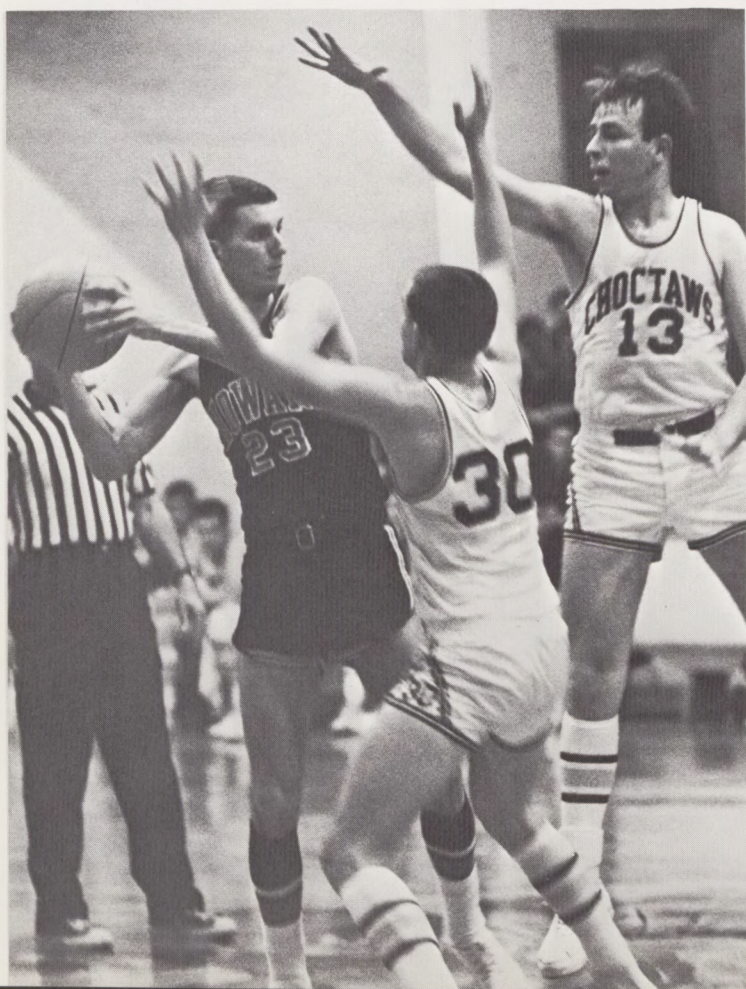

Beam goes for two.

## 1964 BASEBALL

**CHOCTAW PITCHERS**—Kneeling: Jack Root, Jimmy Hayes. Standing: Richard Beam, Charles Marshall, Troy Mohon.

**CHOCTAW CATCHERS**—Jerry Lyons, Freeman Williams.

**CHOCTAW INFELDERS** — Kneeling: Ricky Farr, Denny Keveryn, J. D. Rushing. Standing: Ed Nixon, Leo Jackson, Bill Gore, Sid Odom.

The Choctaws opened the season in New Orleans on Friday, March 13. The Unlucky "13" must apply to the Choctaws, for they finished the season with a dismal 7-17 mark. However, ten of the seventeen games were lost by only one run. The 1964 squad was young and inexperienced; and as the year progressed, they were able to gain valuable experience. The Choctaws are very fortunate this season, for they only lost four lettermen by graduation. The returning lettermen are: Richard Beam, Pitcher; Troy Mohon, Pitcher; Charles Marshall, Pitcher; Jerry Lyons, Catcher; J. D. Rushing, Second Base; Ed Nixon, Shortstop; Leo Jackson, First Base; Ricky Farr, Third Base; Sidney Odom, Left Field; and Billy Cranford, Centerfield. With some promising transfers and freshmen joining the 1965 Squad, the outlook for the '65 season is very bright.

A few highlights of the 1965 season will be a two-game series with Tulane in New Orleans, a three-game series with Memphis State, and a powerful independent to be played on the Mississippi College campus. An Easter Tournament is to be played in Jackson involving four teams: Mississippi College, William Carey, Belhaven, and Millsaps.

# 1964 TRACK TEAM

The 1964 Choctaw Track Team made a fine record for themselves this past spring. Led by Greg Versen and Kenny Moore as co-captains, Buddy Heinrick, Don Hunt, Jerry Hale, Ray Doyle, and Elton Wright, the Choctaws were able to roll past Union University in the first meet of the season. Finishing second in a large field of college teams in the Mid-South Relays, the Choctaws had some fine individual performances. Setting meet records were Don Hunt in the Mile and Buddy Heinrick in the High Hurdles. Also, the 440 and 880 Relay Teams won first place.

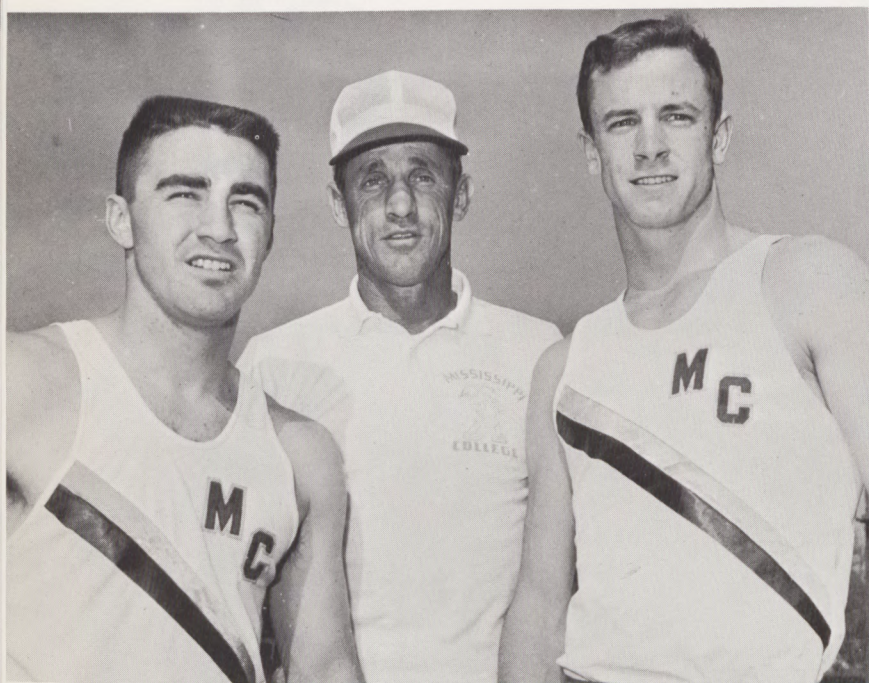

The following week against Troy State on the Choctaw's home field, the Braves defeated Troy 81-55. This meet saw a brilliant mile performance by freshman Don Hunt in 4:17.4, a track and school record. The 440 Relay Team composed of Hale, Heinrick, Foy, and Versen set a field record of 43.1, and the mile relay teams of Hederman, Hale, Heinrick, and Versen turned in a performance which broke a 10-year-old record, establishing a new record of 3:26.1 for Robinson Field.

Traveling to Harding Invitational Meet the following week at Searcy, Arkansas, the Choctaws had a fine performance to finish second in a large field of Arkansas Intercollegiate Conference Teams. In a good team performance by Ray Doyle, Kenny Moore, Don Hunt, Jerry Hale, and David Foy, a record was set in the High Hurdles and in the Intermediate Hurdles. The following week the Choctaws won their own Invitational meet. Don Hunt set a new field record in the 2 mile in 9:49.4, and Hale and Heinrick were able to capture first places in the 220 dash and 220 Low Hurdles.

The following week the Choctaws met defeat for their first dual meet. After the field events the Choctaws were behind, but they closed the gap to 75-70, winning every track event but the 880-yard dash at Arkansas State.

Closing the season in a triangular win over Ouachita College and Arkansas A & M, the Choctaws finished one of their finest seasons principally because of the wonderful team spirit and conscientious effort displayed by each member of the team.

Team co-captains Kenny Moore and Greg Versen with Coach James Parkman.

Two top performers—Buddy Heinrick and Don Hunt.

**Jerry Hale, Rae Hederman, Greg Versen and Buddy Heinrick, members of the 880 Relay Team, proudly display their trophy won at the Mid-South Relays.**

**Rusty McIntire takes a warm-up jump during a practice session.**

**Manager Ed Lenow attempts to better his mark.**

**CROSS COUNTRY TEAM**—Dick Harris, Manager; Ray Bridges, Elton Wright, Alton Wright. **Standing:** Roger Tims, Archie

Fortenberry, Dennis Meilstrup, Cecil Clegg, Bruce Jones, Jim East, Tom Ishee.

## CROSS COUNTRY

Cross Country, a fall sport at Mississippi College, found the Choctaw runners meeting several much-improved teams. In the first four challenging meets, the Choctaw team gained valuable experience. Confident that they would do well, the Brave runners placed second in the field of eight colleges and brought home the runner-up trophy from the Union Invitational. They completed their season by defeating Southwestern at Memphis.

The "M" Club of Mississippi College, made up of varsity athletic lettermen, has as its purpose the unifying of the athletes on the campus and promoting the athletic ideals of the school both on and off the field of play.

Some of the club's projects this year have been the selling of school car tags and window stickers to the parents of the incoming freshmen the day they arrived, and throughout the week to the entire Student Body. Also, the selling of school cow bells as a school spirit booster was a big success.

The Club revised its constitution this year and is making plans for redecorating the meeting room.

As a reward for active membership in the club, graduating members will receive an "M" Club blanket.

**OFFICERS**—Parker Dykes, president; Howard Godfrey, vice-president; Elton Wright, secretary-treasurer; John Tucker, chaplain.

The Fellowship of Christian Athletes is a new organization to our campus this year. The purposes of the F.C.A. nationally and locally are: to find fellowship together for individual growth in the Christian life; to serve the cause of Christ through the Church of one's own choice; and to render service by witnessing to other youth. The By-Laws further provide that the purposes shall be to confront athletes and coaches, and, through them, the youth of our nation with the challenge and adventure of accepting Jesus Christ as Lord and Saviour, participating in His Church and serving Him.

## WOMEN'S RECREATIONAL ASSOCIATION

The objectives of the Women's Recreation Association are to organize and stimulate a wholesome program of recreational activities, promote competition that stresses an enjoyment of sportsmanship and character, and to promote leadership and understanding among our women.

The W.R.A. sponsors weekly intramural activities including volleyball, basketball, ping pong and badminton; various service projects; a powder puff game; and participation in State Physical Education events.

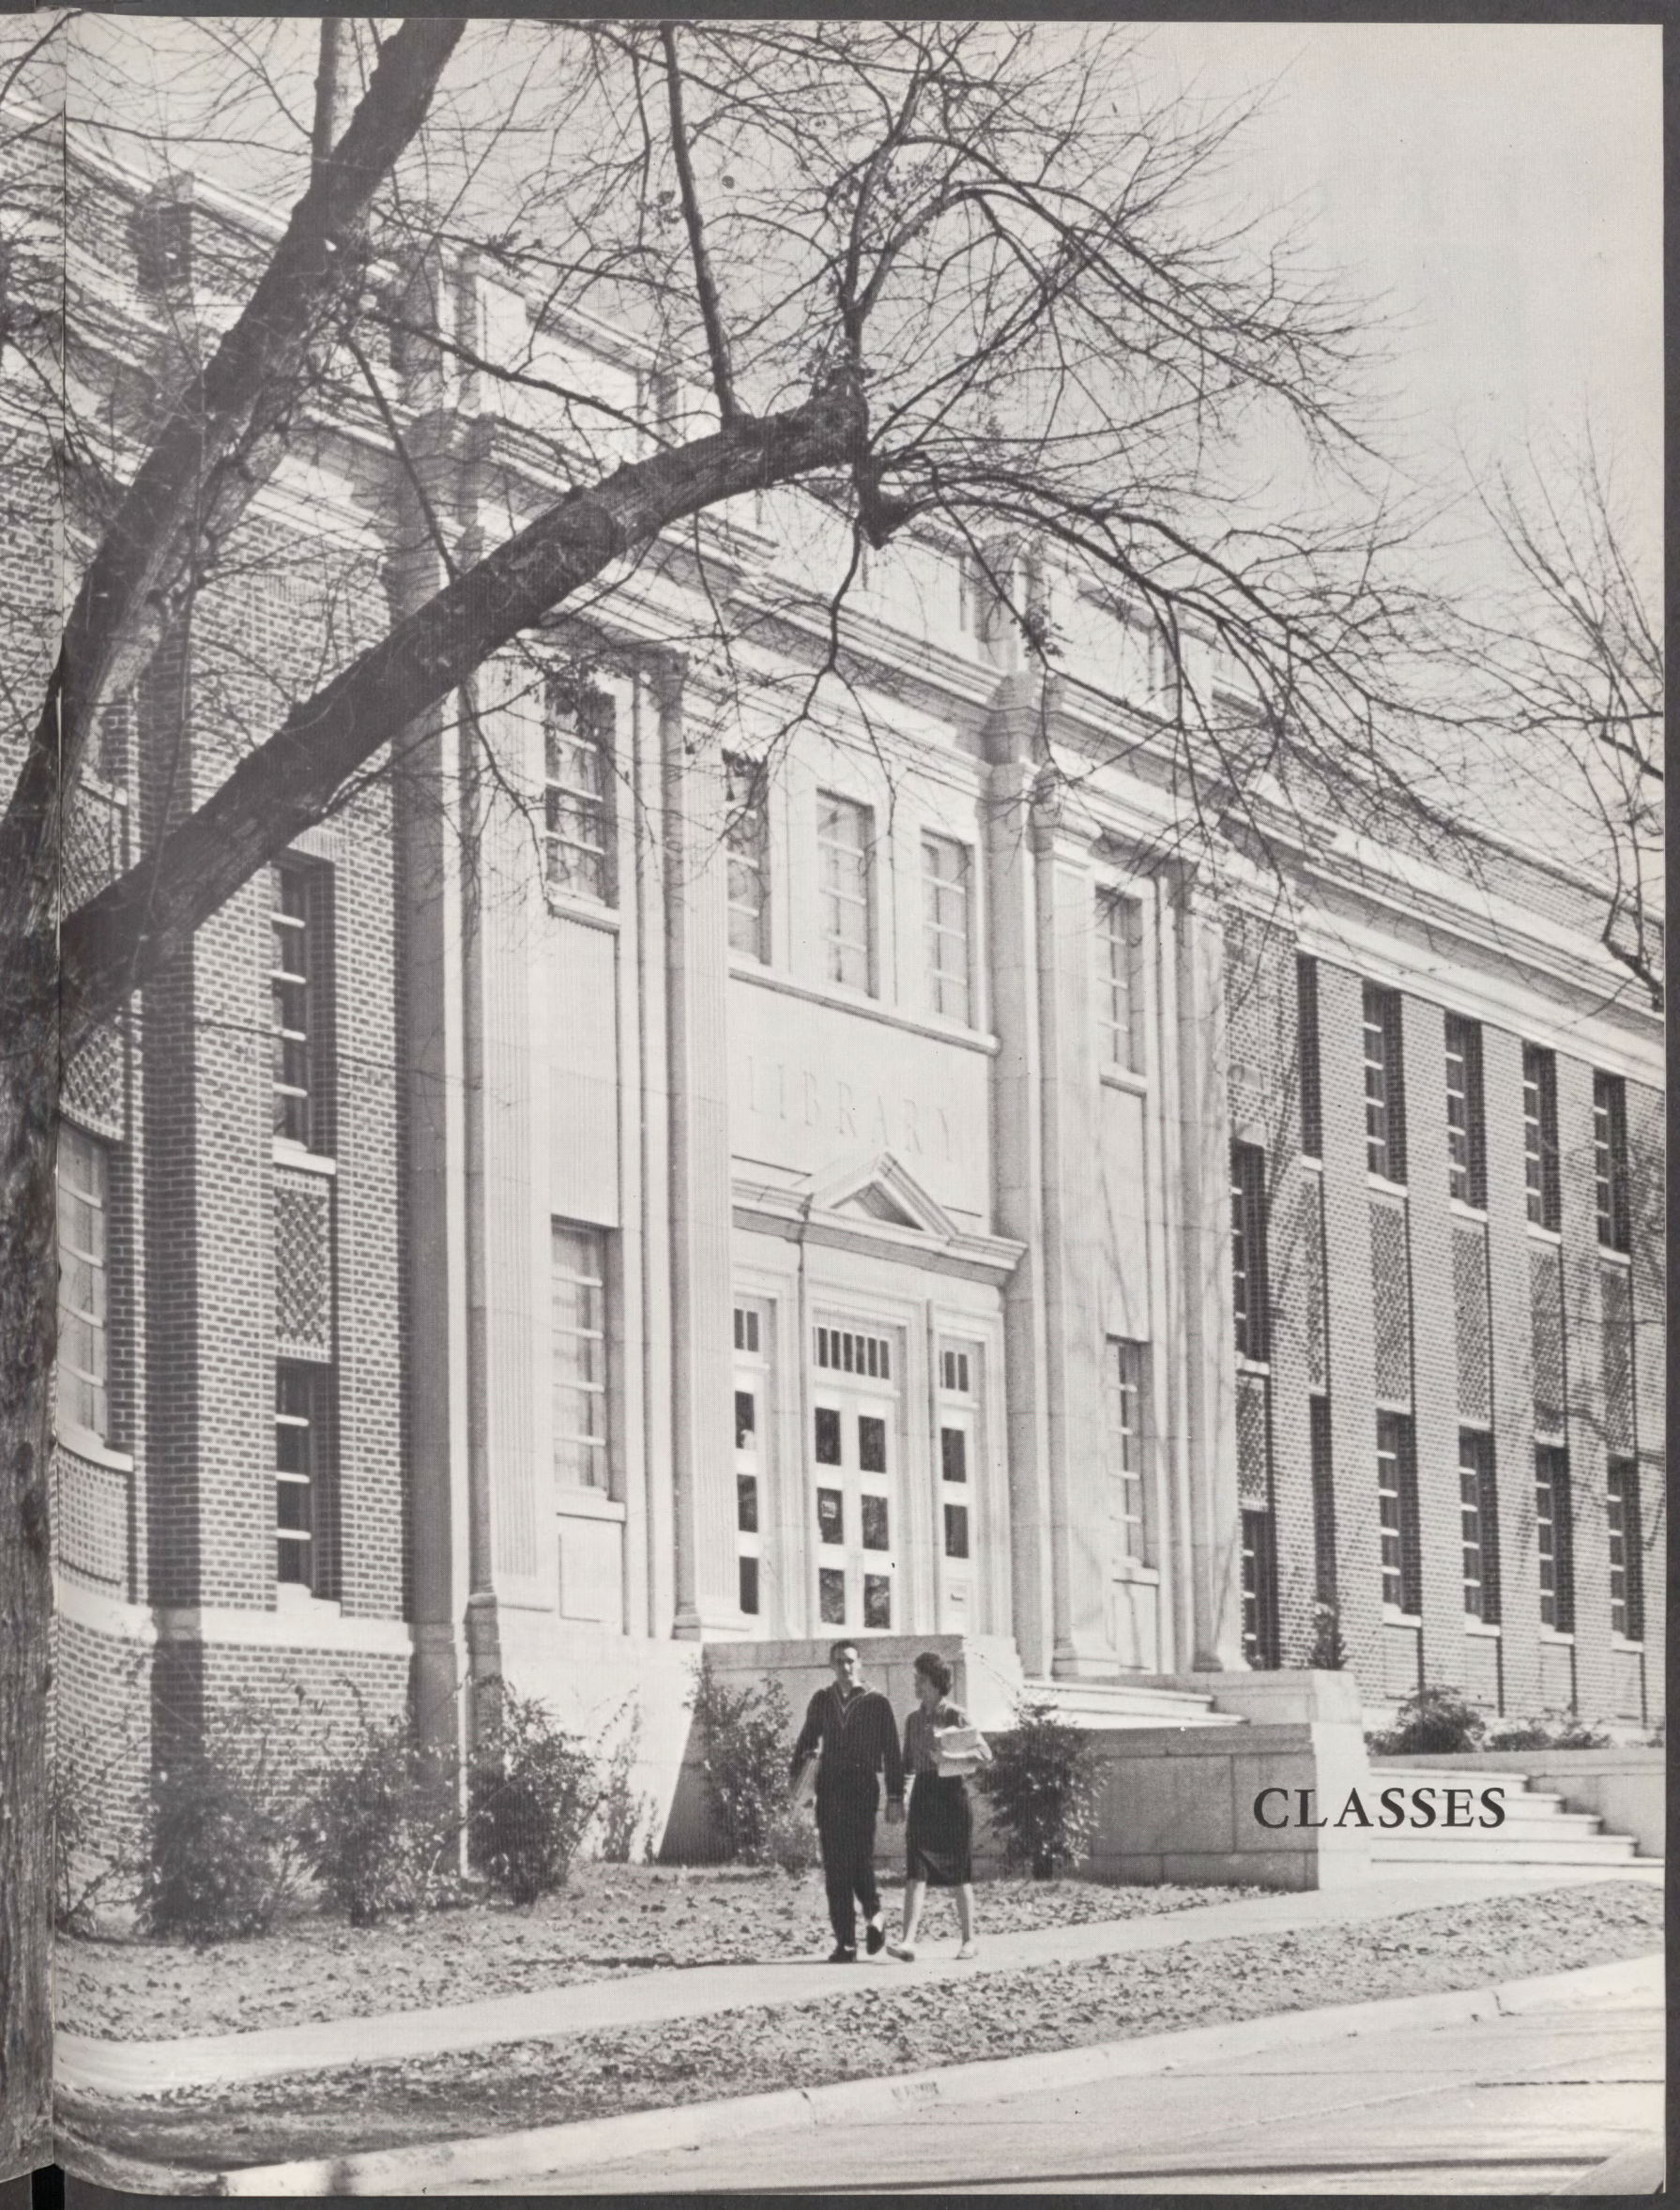

**OFFICERS**—Fran Pickett, president; Faylene Furgerson, vice-president; Ann Bourland, secretary; Betty Sue Robertson, treasurer; Sandy Polk, publicity; Mrs. Hazel Newman, sponsor.

# MISSISSIPPI COLLEGE'S RECREATION ROOM NEAR COMPLETION . . .

"Let's shoot some pool!!!" is now the favorite expression of most M.C. er's.

The "swinging action" of the new bowling alleys make the game much more enjoyable.

## ALMA MATER

Fairest of all is our dear Mississippi  
Rising in state as the crest of a hill;  
Staunch as a rock is our dear Alma Mater,  
Round her so noble our hopes ever live.

When, in the future, our hearts may be yearning  
For the bright scenes of our dear college youth,  
Back to thy portals our memories turning,  
Clear, gleams the beacon of virtue and truth.

M. C. we hail thee, our dear Mississippi,  
Queen of our hearts, no foe shall alarm;  
Faithful and loyal thy children will ever  
Cherish thy mem'ry, acknowledge thy charm.
